[v1] D A D
Salty water down your cheeks
 G D
Like a river when you weep
 G |D .G |D
Fills a hole in the sea
 A |D .A |D
If you don't love me, why don't you leave?

[v2] If you worry all the time
Salty water will make you blind
You can free a hurting soul
If you don't trust me, why don't you go?

[solo v] Salty water...

[v4] Salty water, it's all good
Drains the pain as it should
If I'm wrong then you'r right
And I will love you through the night

[v3] Ther's a treasure I can tell
Near the bottom of the well
Where the water runs dry
You got nothing you can cry

[solo v] Salty water...

[out] Salty water down your cheeks
Like a river when you weep
Fills a hole in the sea
But if you love me just let it be
