Hardship trail
© Roger Häggström

```
[int]    |D      |A7.D |Bm    |
         |G .D |       |      |
```

```
                D
[v1]     My sailor bag,
             A           D
         is ready and packed
               Bm
         It'll take me a month,
           G
         before I'm back
```

```
                D
[ch]     Weep, you little rain,
                 A7           D
         wind, blow in my sail
               Bm
         I'm going, I'm going
                   G        |D  |    |
         down the hardship trail
```

```
[v2]     Dry your tears,
         don't you cry

         Say "hello",
         when you wave goodbye / [ch]

            [solo v + ch]
```

```
[v3]     Storms will abate,
         waves will break
         My love for you,
         will never fade / [ch]
```

```
[v4]     Love is strong,
         but flesh is weak
         Will you be mine,
         next time we meet? / [ch]

            [solo v + ch]

              3x [ch]
```

```
            Bm
[out]    I'm going, I'm going
                 G         D
         down the hardship trail

         |Bm  |G(rit).D(avsl)|
```
