

# Maybe

© Roger Haggström

[int] [solo v]

[v1] <sup>C</sup> I <sup>Am</sup> love <sup>F</sup> the <sup>G</sup> way you <sup>Am</sup> smile, <sup>G</sup> baby...  
<sup>C</sup> Wanna <sup>Am</sup> lead <sup>G</sup> you down the isle, maybe

<sup>F</sup> Maybe you're the one, I've been longing for, all my life <sup>Em</sup>  
<sup>C</sup> The one to bear my child, the one to be my wife <sup>G</sup> | . .G. | <sup>F</sup>

[v2] You caught me when I fell, baby...  
Threw a dime in the wishing well, maybe...

Maybe I'm the man, you've been looking for, all this time  
The one to keep you warm, the one to be around

[solo v]

[v3] I love the way you sleep, baby...  
The way you make me sweet, maybe...

Maybe you're the one I've been longing for, all my life  
The one to bear my child, the one to be my wife

Maybe I'm the man, you've been looking for, all this time  
The one to keep you warm, The one to be around
