[v2] We need a fiddle and a saxophone,  
and if you got it; a wild trombone  
All the jugglers, all the clowns,  
please follow the dotted lines

[br1] <sup>C</sup> Look out for flying <sup>D</sup> kites,  
<sup>G</sup> and people <sup>C</sup> throwing rice  
<sup>D</sup> Look ahead and watch your <sup>D</sup> back  
<sup>G</sup> Keep your eyes <sup>D</sup> on the <sup>G</sup> track

[ch] 4x/ (1,2,4) <sup>G</sup> Follow me up, <sup>C</sup> all the way <sup>G</sup> up,

[v3] Quit hiding your head in the sand,  
join in with the walking band  
Where the color of the rainbow rules  
Say Hi to the fools with tools

[v4] We need a banjo and a good guitar,  
without them we wont get far  
Bring your beer, your beef and beans  
I'll play the rhythm on the banjolin

[br2] Give way for the live-size cats,  
and the butlers rolling their hats  
Plenty fun for all of us,  
and for the rhinoceros
